discrimination or reprisal, and by which the Board of Education (hereinafter sometimes referred to as the Board) and its non-teaching personnel are afforded adequate opportunity to dispose of their differences without the necessity of time consuming and costly proceedings before administrative agencies.

SECTION 2 - DEFINITIONS

2.1 A GRIEVANCE is a claim by any non-teaching employee or group of non-teaching employees in the negotiating unit based upon any event or condition affecting their welfare and/or terms and conditions of employment, including, but not limited to, any claimed violation, misinterpretation, misapplication or inequitable application of law, rules or regulations having the force of law, this Agreement, policies, rule by-laws, regulations, directions, orders, work rules, procedures, practices or customs of the Board and Administration.

3.5 The Board and the Association agree to facilitate any investigation which may be required and to make available any and all material and relevant documents, communications and records concerning the alleged grievance.

3.6 Except as otherwise provided in Articles 5.1A and 5.1B, an aggrieved party and any party in interest shall have the right at all stages of a grievance to confront and cross examine all witnesses called against him/her, to testify and to call witnesses on his/her own behalf, and to be furnished with a copy of any minutes of the proceedings made at each and every stage of this grievance procedure.

4.4 Failure at any stage of the grievance procedure to communicate a decision to the aggrieved party, his/her representatives and the Association within the specified time limit shall permit the lodging of an appeal at the next stage of the procedure within the time which would have been allotted had the decision been communicated by the final day.

4.5 In the event a grievance is filed on or after June 1, upon request by or on behalf of the aggrieved party, the time limits set forth herein will be reduced pro-rata so that the grievance procedure may be exhausted prior to the end of the school term or as soon thereafter as is possible.
